

# Child Care Resource & Referral

■ WILL ■ GRUNDY ■ KENDALL ■ KANKAKEE COUNTIES

## Together we are changing children 's outcomes!

By giving children a strong foundation, a head start, and expanding young minds, we are preparing our "future leaders"!

### What we believe

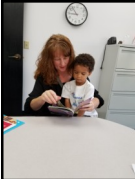

The first 5 years has an immense impact on a child 's future well being.

- Social and Emotional Development
- Language and Literacy
- Learning

### You play a vital role

Without your investment in Early Childhood Children cannot access high quality programs and services Families are denied resources for other basic needs.

### CCR&R uniquely serves families

Provides referrals to appropriate child care providers. Points families to early childhood education resources. Points families to resources for other basic needs.

### CCR&R uniquely serves early childhood providers

Ongoing education through training and technical assistance in improving program quality. Access to expertise in ECE Development and learning in all areas.

### CCR&R is committed to

Connecting relationships among families with children, early childhood educators, employers and Social Services.

Ensuring Children are getting the best educational programs and resources possible.

### CCR&R uniquely serves employers

CCR&R is a one-stop resource to help employees find childcare and gain peace of mind, cutting down on absences and increasing workplace productivity.

Your support is critical in helping us provide high-quality programs and services meeting the needs of the children and their families in your community. Your end-of year donation will have a lasting impact in changing children 's outcomes.
