

CCR&R PRESENTS

2020 CENSUS IN THE CLASSROOM

Fun with Food

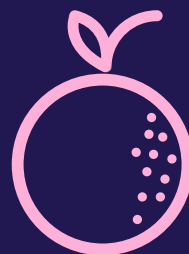

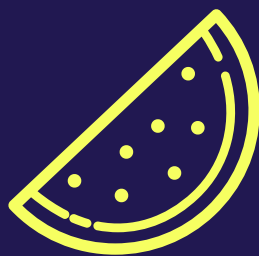

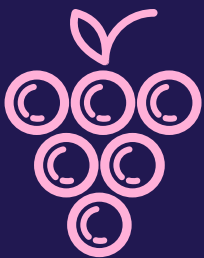

Utilize cooking opportunities in the classroom to talk about the 2020 Census and counting families.

Use cookie cutter shapes to decorate people pizzas or cookies. Encourage the children to make their families.

Utilize snack times to foster creativity.

Use items such as vegetables, cheese, and crackers and encourage children to make the people in their family

Celebrate diversity in the classroom and among the children's families. Create different faces of family members by using tortillas, pancakes, and waffles.
